**STOLEN PACKAGES:** Unfortunately, this is the season many packages go missing community wide, and in many HOA's throughout the region.

We have spoken to the Police about this in the past. The Police advised that residents are to call the police to report this sort of theft immediately. This enables the Police to assess the situation in case it is a serial offender or just a one off occurrence. The Police have also made the following recommendations:

- Residents to organize packages to be collected by a neighbor who is home during the day.
- Have the package sent when the homeowner is present and able to receive the package directly.
- If the resident is going to be away out of town or absent on the day of deliver, have the package delivered to an alternative and reliable address, for example the work place etc.
- Have family members who are home, take packages inside upon delivery...or when they see them left outside.
- Have neighbors be vigilant and on the lookout.

We have had a number of homeowners in the Del Sur Community who have installed cameras at the front of their homes that have actually been used to catch a package thief, who the Police were then able to track down.

The Police did say that the key to keeping your neighborhood safe and secure, is not to provide opportunities for the opportunist to take advantage of.

*Did you know:* We are experiencing a slight increase of vandalism throughout the community, such as graffiti, pool furniture with cuts & burns, and broken baby changing tables. We are asking residents to please be vigilant and report any suspicious behavior and damages to Management. If you witness an incident, please call the Police immediately.

*Thank you:* The Association would like to thank the community for their compliance regarding violations, to include garbage cans, landscape maintenance, as well as festive lighting and decorations in the common areas & parkways. There has been a notable reduction in the amount of violations. For any clarification on violations, please reference your CC&R's & By Laws which can be found on the community website. ([www.delsurcommunity.org](http://www.delsurcommunity.org)).

# Del Sur Weekly Landscape Update

## FOCUS OF THE WEEK:

### GENERAL MAINTENANCE: STORM CLEAN UP

With the major storms we have had over the last weeks we will be working on the leaf and debris clean-up throughout the property.

With the winter rains approaching we will also be paying special attention to the drainage areas within the community. These include catch basins, drainage channels and storm drains.

When we are in your area for our rotation expect that the crew will be working on minor pruning and any shrubs that need to be cut back for the fall/winter season. However their main focus will be on the leaf drop and debris clean up from the storms.

Thank you for your cooperation in advance to allow the crew to work through this process.

### BRUSH ABATEMENT

We are working through the final stages of the Brush Abatement for the year along the school fence line. The crew is progressing through this area and expect to have the work completed by the end of the month. Thank you in advance for your patience and for allowing them to work with as few distractions and delays as possible.

## FOCUS OF THE MONTH:

### PILOT PROGRAM: NATURAL WEED KILLER

Pending final board approval we are going to be working in the Pilot Program Parks implementing the below program:

DATE: MONDAY-FRIDAY IN DECEMBER TIME:

BETWEEN 7 AM AND 3PM DAILY

LOCATION: WITHIN THE PARKS IN THE DEL SUR COMMUNITY

PRODUCT: WEED ROT

A natural weed killer will be sprayed in the Del Sur Parks throughout December as a PILOT PROGRAM.

BrightView no longer sprays glyphosate products and would like to find a NATURAL alternative.

This NATURAL product is proposition 25b exempt and does not require an E.P.A registration number due to its natural ingredients.

Please contact the Ranch House with any questions.

Rotation: We have completed Week 2 and are moving in to Week 3 in our standard rotation schedule.

# Roast Prime Rib with Thyme Au Jus

## Ingredients

1 bone-in prime rib (6 to 7 pounds)  
8 cloves garlic, thinly sliced  
Salt and coarsely ground black pepper  
2 cups red wine  
4 cups beef stock

---

1 tablespoon chopped fresh thyme leaves

## Directions

1. Thirty minutes before roasting the prime rib, remove from the refrigerator and let come to room temperature.
  2. Preheat oven to 350 degrees F.
  3. Make small slits all over the prime rib and fill each slit with a slice of the garlic. Season liberally with the salt and coarse pepper, place on a rack set inside a roasting pan and roast for about 2 hours until medium-rare, or until a thermometer inserted into the center of the meat registers 135 degrees F. Remove the meat to a platter, and tent with foil to keep warm.
  4. Place the roasting pan on top of the stove over 2 burners set on high heat. Add the wine to the pan drippings in the pan and cook over high heat until reduced, scraping the bottom of the pan with a wooden spoon. Add the stock and cook until reduced by half. Whisk in the thyme and season with salt and pepper, to taste.
- 
5. Slice meat as desired and serve with thyme au jus.
