RANCH HOUSE CLOSED: In observance of President's Day on Monday, February 17, 2020, the Ranch House will be closed. We will reopen on Tuesday, February 18, 2020. Brush Management and Fire abatement utilizing Goats: The Brush Management utilizing Goats continues to progress a little slower than anticipated. This is due to a couple of setbacks experienced by the vendor.

The Goats will continue to work through the Artesian Ridge neighborhood, hopefully completing that area next week. They will then be turning their efforts and focus upon the canyons of Lower Scarborough Court, through to South Chevy Chase. This stretch will take some time to get through as the brush is thick in a few places.

The Fire Marshal has been on-site to confirm the location required for the Shepherd's quarters which comprises of two new caravans. The Fire Marshal requires the Shepherd's quarters to remain within a certain proximity of the working goats for safety and security purposes. The caravans will only be situated for period of time until the brush management is completed. Please stay clear of the caravans thank you.

Please keep well clear of the Goats and working area, to include the electric fencing and Goat protecting dogs. While observing the Goats working from a far is fine, getting close to the fenced off areas is not.

Thank you in advance for respecting this request and your understanding, as Del Sur works through its brush management requirements for 2020.

Should you need to contact the Shepherd, please call Johnny Gonzales on 619 234-4555.

Did you know: You may or may not be aware that in order to close out landscape files or variance requests a [Notice of Completion Form](#) is required to be submitted so final inspections can be conducted either by the Landscape Architect or a management representative. Additionally, it is the homeowner's responsibility to ensure that contractors adhere to the Design Guidelines. Copies of all architectural related forms can be found on the association website at www.delsurcommunity.org.

Dumping Trash into park receptacles: It has been brought to our attention that people have been dumping their trash from their homes into the trashcans that are located at the community parks. It is illegal to place garbage or litter into someone else's garbage can or trash receptacle without the owners express permission. Please refrain from bringing trash from home and dumping it into these trashcans. It is causing an overflow of trash at the parks.
