As you may know, the Del Sur Community Association has been researching other trash providers and had made the decision to go with Waste Management but due to price hikes and negotiations the process took longer than anticipated. You will be happy to know there is light at the end of the tunnel and we now have the green light to go ahead with providing you the following information concerning Waste Management's trash collection service to all the private streets and drives within the Del Sur Community. Please see below information from Waste Management for how to register.

Please follow the instructions carefully:

WM Service Guide

WM service day will be Tuesday.

The Del Sur Community board has negotiated a community rate of \$41.50 per month for weekly service for one (1) trash cart, one (1) recycle cart and one (1) organic cart. The one-time set-up fee for \$50.00 includes delivery of the carts. Additional services are available for an additional fee.

When contacting WM to set-up your account state the service location as **"Del Sur Community"** to receive the HOA's rate.

Contact WM by phone (619) 596-5100, email CSSanDiego@WM.com, or by chat "Connect with Us" at WM.com. Do not use the virtual assistant or on-line set-up.

Services are invoiced in advance on a quarterly basis. The invoice administration fee of \$8.50 can be waived by having both paperless billing and WMautopay. After receiving your customer ID visit WM.COM to register your account to receive service and billing notices.

Bubbles in Spas

Just a friendly reminder that there are no detergents, soaps, or bubble enhancing solutions allowed at any of the pools in the community. Recently there has been an increase in these sorts of incidents that have led to additional expenses draining, cleaning, and refilling. We are asking parents to please speak to their children/teenagers about this matter. We thank you in advance for everyone always looking out for the Del Sur Community.

Weeds/Brush management

We understand that with the rainy season, we have had significant growth with weeds and brush in the canyons. We have asked the fire marshal if anything can be done and we have been advised that this area has been identified as MHPA, Per the City's SDMC 142.0412-no brush management can be done between March 1 through August 15, therefore, we will have to wait until August 16th to address the brush. If the brush is damaging your property, please send across pictures so that we may have our landscaping professionals inspect and advise if they can trim back.

Thank you.

Safety

Sidewalk trip hazards

Please continue to report any concrete sidewalk trip hazards to the management team at the Ranch House Thank you.

Brush Management Season Aug 16th to Feb 28th

The goats have completed their time in Del Sur for the 2022/2023 brush management season. We received sign off from the Fire Marshal upon their final inspection on February 28th, 2023.

The goat shepherds will be back to touch up a section on Newcomb street that was identified as requiring further attention.

Please be aware the Goat Shepherd's camp is located in the HOA's Lot in the open space canyon off Sinclair Street. This is the area near where the mulch pile and construction yard were for the Developer.

The camp will be in this location for a period of time as the HOA works with the City on agricultural maintenance of the open space parcels. Please keep well clear of the shepherd's camp site at all times thank you.

Current location of the Goats

The main herd of goats is no longer in Del Sur. There is a small herd left in the open space canyon off Sinclair Street. This is the area near where the mulch pile and construction yard were for the Developer. The HOA is working with the city on agricultural maintenance of the open space parcels.

The Del Sur Community Association thanks everyone in advance for your patience and understanding in the interim, as the Association continues to follow and comply with the San Diego Brush Management Municipal Code 142.0412

DEL SUR COMMUNITY ASSOCIATION SWIMMING LESSON POLICY Effective January 1, 2022

Del Sur Community Association (“Community Association”) has and continues to receive frequent requests from Del Sur owners and residents seeking to use the Community Association pools for swimming lessons for themselves and/or their family members. Because the Board of Directors recognizes that learning to swim facilitates the use and enjoyment of the Community Association’s pools and reduces the risk of injury by pool users, the Board has determined that it is in the best interest of the membership to allow limited swimming lessons to be conducted, subject to this Swimming Lesson Policy (“Policy”).

This Policy has been established to enable owners and residents to receive swimming lessons within the community while protecting the right of all owners and residents to use the Community Association pools and minimizing the risk of liability for the Community Association.

In the event any owner or resident is found to have violated this Policy, they may, after notice and hearing, be prohibited from participating in any future swimming lessons within the Community Association. They may also be subject to other disciplinary action as discussed below.

In the event any person is found teaching swimming lessons in violation of this Policy, they may be permanently prohibited from providing swimming lessons at the Community Association’s pools.

1. Swimming lessons shall only be permitted at the following Community Association pools: **Beltaire, Reagan Glen, Old Stonefield, Jacqueline, and Trent (“Designated Pools”)**. Under no circumstances shall a Community Association pool other than a Designated Pool be used for swimming lessons.
2. **Swimming lessons shall only be permitted at Designated Pools between April 15th through October 15th (“Swim Season”)**. No swimming lessons shall take place outside of the Swim Season (i.e., between October 16th and April 14th). This restriction is imposed because six (6) of the Community Association’s eleven (11) pools are not heated during this period, resulting in greater usage of the other five (5) pools.
3. **Swimming lessons shall only take place at Designated Pools during the following hours:**

- a. **Monday through Friday, excepting national holidays: 6:00 a.m. to 6:30 p.m.**
- b. **Saturdays and Sundays, excepting national holidays: 8:00 a.m. to 12:00 p.m.**
- c. **National holidays: No swimming lessons permitted.**

4. The Community Association will authorize no more than seven (7) swimming instructors to teach swimming lessons at the Designated Pools each Swim Season ("Authorized Swim Instructors"). Only Authorized Swim Instructors shall provide swimming lessons at the Designated Pools. In the event a swimming instructor ceases to be an Authorized Swim Instructor during a Swim Season, as discussed in Provision 8, below, the Community Association may authorize another swimming instructor to take his or her place for the remainder of the Swim Season.
5. To prevent swimming lessons from unreasonably interfering with the use of the Designated Pools by other owners and residents, as well as for safety reasons:
 - a. Only one Authorized Swim Instructor shall be permitted to use a Designated Pool for swimming lessons at a time.
 - b. An Authorized Swim Instructor must reserve in advance a Designated Pool for any time that Authorized Swim Instructor proposes to provide a swimming lesson ("Scheduled Lesson"). A reservation is made by contacting the Community Association's management office and receiving confirmation from the management office that the Designated pool is booked for his or her use on a specific date and time.
 - c. An Authorized Swim Instructor may schedule the use of a Designated Pool for swim instructions during the Swim Season for a maximum of four (4) hours per day, subject to d, below.
 - d. An Authorized Swim Instructor may schedule the use of a Designated Pool for swim instructions during the Swim Season for a maximum of four (4) days per calendar week.
 - e. Notwithstanding c and d above, in the event there are fewer than seven (7) Authorized Swim Instructors during any portion of the Swim Season, the Community Association may permit the other Authorized Swim Instructors to schedule additional swim lessons to compensate for the reduced number of Authorized Swim Instructors. The total additional Scheduled Lessons the Authorized Swim Instructors may collectively give shall not exceed sixteen (16) hours per calendar week for each vacant Authorized Swim Instructor position. Additional Scheduled Lessons shall be authorized on a first come, first serve basis.
 - f. An Authorized Swim Instructor shall only provide instruction to one student at a time. Multi-student lessons are prohibited.
 - g. An Authorized Swim Instructor must notify both the Community Association management office and his or her student if he or she cancels a Scheduled Lesson. The Community Association shall not be responsible for providing this notice.
 - h. A student must notify his or her Authorized Swim Instructor if he or she cancels a Scheduled Lesson. The Community Association shall not be responsible for providing this notice.
 - i. An Authorized Swim Instructor shall only provide swimming instruction to Community Association owners and residents. At no time shall any Community Association pool be used to provide swimming instruction to persons other than Del Sur owners and residents.
 - j. Only one lane at the Jaqueline pool shall be used for swimming lessons at any time.
 - k. In the event a Designated Pool is closed unexpectedly for maintenance or for any other reason at the time of a Scheduled Lesson, the Authorized Swim Instructor shall reschedule that lesson.
 - l. Under no circumstances shall an Authorized Swim Instructor provide swimming instruction outside of a Scheduled Lesson.

- m. Under no circumstances excepting an emergency shall an Authorized Swim Instructor use a cellphone while providing a swim lesson at a Designated Pool. For the purpose of this Policy, an emergency is a situation that poses an imminent threat to the health or safety of any person(s) or an imminent threat of property damage.
- n. Under no circumstances, excepting an emergency necessitating all persons to leave the water (e.g. a chemical spill; fecal matter in the pool), shall an Authorized Swim Instructor attempt to keep other persons from using the pool during a Scheduled Lesson. A Designated Pool shall remain open for general use during a Scheduled Lesson.

6. Eligibility requirements for becoming an Authorized Swim Instructor are as follows:

- a. The swim instructor must notify the Community Association's management office of his or her interest in becoming an Authorized Swim Instructor.
- b. The swim instructor must provide evidence to the Community Association that he or she has obtained and maintains liability insurance as required by the Community Association.
- c. The swim instructor must enter into an agreement with the Community Association wherein he or she agrees, among other things, to at all times maintain the required insurance and comply with this Policy ("Swim Instructor Agreement").
- d. The swim instructor must not have previously violated this Policy.

The Community Association is not qualified to evaluate the skill level of swim instructors and does not do so. Nor does the Community Association perform background checks. By authorizing a swim instructor, the Community Association only warrants that he or she has complied with a, b and c above, and that to the best of the Community Association's knowledge, he or she has not violated d above.

7. It shall be the responsibility of Del Sur owners and residents to:

- a. Evaluate an Authorized Swim Instructor's qualifications and skill level.
- b. Schedule their swim lessons with an Authorized Swim Instructor.
- c. Negotiate any payment amounts and terms for their lessons.
- d. Pay the Authorized Swim Instructor's fee when due.

Notwithstanding the foregoing, under no circumstances shall an owner or resident negotiate terms for a swimming lesson that are in violation of this Policy.

Owners and residents may obtain a list of Authorized Swim Instructors and their contact information from the Community Association's management office. This list is also available on the Community Association's website.

- 8. The Community Association may rescind a swimming instructor's designation as an Authorized Swim Instructor if that swim instructor violates any terms of the Swim Instructor Agreement or violates any provision of this Policy.
- 9. Any person found to be using an Unauthorized Swim Instructor or otherwise violating this Policy may be called to hearing whereat a fine may be imposed, the costs of addressing his or her violation, including any attorney's fees incurred, may be imposed, and/or his or her right, along with the right of all other persons associated with his or her property, to use the Community Association recreational facilities, including the pools, may be suspended. (Please see the Community Association's Enforcement Guidelines.)
- 10. Complaints regarding an Authorized Swim Instructor or violations of this Policy should be promptly reported, in writing, to the Community Association's management office for investigation.
