*Dear Del Sur Residents,*

**Acorn Streetlamps**

The Del Sur Community Association would like to send a friendly reminder about the orange acorn streetlamps throughout the community. The days are much shorter now that fall is upon us which means that it's getting dark so much earlier. If you notice any streetlamps that are not functioning, please call the office @ 858-759-1921 to report the location of the streetlamp so that we can have them replaced right away.

**Red Curb Restoration Project**

During the first few weeks in December, the red curbs throughout the community will be in the process of being repainted. Please be mindful & avoid parking too close to the red curbs between the hours of 8am-5pm to ensure that the vendors have the space to perform the work & to avoid any wet paint getting transferred onto shoes or other items &/or paint overspray getting on your vehicle. As mentioned, this will be an ongoing project beginning the first week of December and will last roughly 2 weeks.

Thank you for your cooperation & understanding.

**Holiday Lighting and Decorations**

The Del Sur Community Association would like to send a friendly reminder to the community that alterations made to the common area are not permitted. Please note: the landscaping team will not be able to provide services if there are decorations, lighting, or other items located in the common area. If you are unsure about an area, please do not hesitate to reach out to the management team. Thank you for your holiday spirit & cooperation.

**Parking in Alleyways**

We have noticed an uptick in vehicles parking in the alleyways. Please keep in mind parking in the alleyways is NOT permitted other than for loading & unloading with your hazard lights on.

## Brush Management

The goats have completed Cerro Del Sur, Artesian Ridge, and below the Ranch House. They will continue to work through the community in the order that follows the Fire Marshal's recommendation.

**IMPORTANT NOTICE:** As the goat's head into the open space between increments 2 & 3, the trail indicated in red below will be closed as early as Friday November 15th, 2024 until at least Saturday November 23rd, 2024. In the past kids have been hopping over the fencing with their bikes even though there was signage indicating that the fencing was electric, and the trail (in red) was temporarily closed. We are asking parents to please speak with your children about this. It is a narrow path so our concern is that the kids bikes could possibly catch onto or touch the electric fence while riding alongside it. We thank you for your cooperation and understanding as we continue brush management.

As a reminder, please keep well back from the goat enclosures and please do not feed the animals including the dogs. Be aware that the shepherd dogs have been trained to protect the goats from coyotes etc. **Please keep pets/dogs away from the goat the enclosures as the shepherd dogs are very protective of the goats.**

*The Del Sur Community Association would like to thank everyone for their patience throughout this important project.*

## Pool Furniture

A considerable effort has been made to remove damaged pool furniture from all the pools and place it in storage. Our maintenance vendor has spent the past two days restoring a large number of lounge chairs, and repair several tables. These have been put out in the pool areas that suffered diminishing amounts of furniture due to a recent increase in vandalism, and wear and tear. While new furniture sets have been ordered where the reserve study indicated full replacement, these orders can take a while to be delivered. The good news is, there is sufficient pool furniture to date at each of the pool areas, all set to enjoy for the Fourth of July celebrations and the rest of the summer. We will however continue to monitor the pool furniture closely and we ask the residents report any damages to Management. Thank you.

# Del Sur

Welcome to Fall

It is hard to believe that summer is ending, and fall has arrived. Though we did experience a long summer of heat throughout San Diego County, it has come time to start pulling out those winter jackets and begin planning for the fall months.

Throughout the community Brightview will be focused on:

- Monitor plant material for insects and disease.
- Leaf debris pickup continues to be a focus with high Santa Ana winds blowing through.
- Continue standard maintenance practices in trimming.
- Crews are finalizing the cutting of ornamental grasses.

## November 2024 Landscape Newsletter

### Santa Ana winds:

Typically, there are about 10 to 25 Santa Ana wind events annually across California. A Santa Ana can blow from one to seven days, with an average wind event lasting three days. The longest recorded Santa Ana event was a 14-day wind in November 1957. Teams will be focused on leaf debris pickup as we work through the storms. Please report any down branches to the Del Sur HOA property management office.

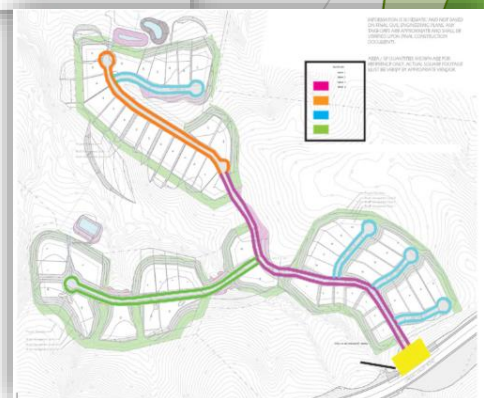

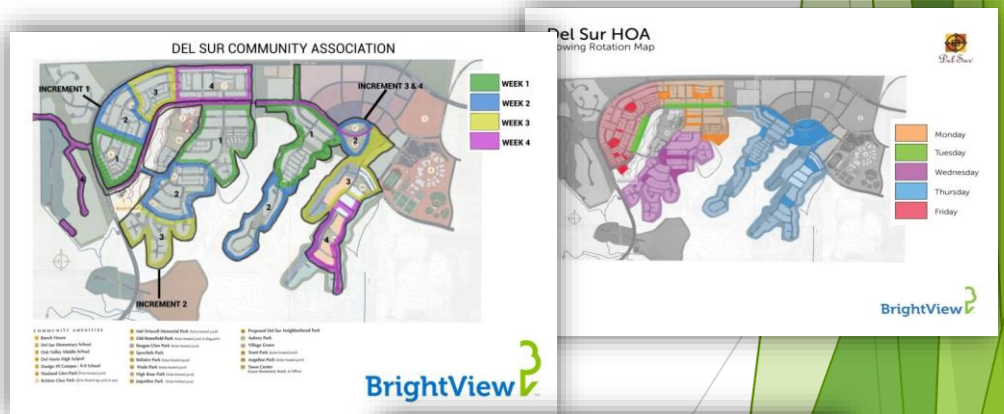

### Holiday Decorations:

Holidays filled with festive decorations throughout the neighborhood are always very enjoyable. However, please be advised that the landscaping crews will not be able to trim any plant material in the HOA-maintained areas with decorations on them.

### Weekly Operations and Mowing

Mowing is performed weekly through the summer months. Please reference the map below for the day mowing will be completed in your area

## Trash

Trash containers cannot be placed out for collection on the street, curb or sidewalks before 6 p.m. the day before a regular collection day; or be left out after 6 p.m. on a regular collection day, except for within the Central Traffic District area, where the containers cannot be placed out before 6 a.m. on a regular collection day; or left out after 10 a.m. of that same day; or one hour after collection on that same block, whichever is later. See San Diego Municipal Code, Chapter 6, Article 6, Division 1. To determine the regular collection day for your address, if you receive City refuse collection service, go to: <https://getitdone.force.com/ESDTrashCollectionSchedule>. General information regarding City refuse collection services and eligibility criteria can be found at: [www.sandiego.gov/environmentalservices/collection/general](http://www.sandiego.gov/environmentalservices/collection/general)

## Recycling

Recyclables, as defined, are required by law to be placed into an approved recycling container. See San Diego Municipal Code, Chapter 6, Article 6, Division 7. To determine what materials are recyclable, go to: [www.sandiego.gov/sites/default/files/what-goes-where.pdf](http://www.sandiego.gov/sites/default/files/what-goes-where.pdf). Recycling containers should be placed out for collection on the street, curb or sidewalks at the same time as the trash containers, in accordance with the biweekly recyclables collection schedule. To determine the regular collection day for your address, if you receive City recycling collection service, go to:

[https://getitdone.force.com/ESD\\_TrashCollectionSchedule](https://getitdone.force.com/ESD_TrashCollectionSchedule). General information regarding City recycling collection services and eligibility can be found at: [www.sandiego.gov/environmentalservices/recycling/residential/curbside](http://www.sandiego.gov/environmentalservices/recycling/residential/curbside)

## E-Bikes

Motorists, please keep an eye out for riders. If your child has an E-Bike or standard bicycle, please make sure your child/children are being safe, taking care around parked vehicles and using bicycle lanes. Be safe be seen at night. For their safety, turn this into a teaching moment for them. Speak to them about how dangerous it can be to have multiple riders and what could happen if one of their friends is injured while they are driving. Please also talk to them about the dangers of speeding through the community, through intersections, around the town center, including up through the Ranch House area. Thanks in advance parents for your assistance, as we look out together for our precious kids of Del Sur.

-  [Alternative Vehicle Information](#): Familiarize yourself with San Diego Police Department information and regulations on using alternative vehicles, including motorized scooters, mopeds and motorized bicycles, electric bicycles, and electronically motorized boards.

We have noticed an uptick in damages from E-bike/ bike usage throughout the community in private easements, & in open spaces behind homes that is causing maintenance issues and unnecessary expenses.

We are asking parents to please make sure your child/children understand the importance of following the rules of the road, using bike lanes, staying out of private property, & using caution around parked vehicles while operating their E-bikes. Please talk to them about the dangers of speeding through the community when crossing streets, intersections, & driveways, including up through the Ranch House parking lot. Additionally, for the safety of the rider and patrons of the pool, E-bikes should NOT be used or stored in the pool areas.

Thank you ever so much for your cooperation and collaboration with this issue.

# Crime Prevention Tips

Please remember to use the following numbers to report crimes in progress.

**Non-Emergency Dispatch Line: 619-531-2000 or (858) 484-3154**

**FOR EMERGENCIES and if you feel threatened or in danger DIAL 9-1-1**

Community Relations Officer John Briggs has provided his contact information and would like for homeowners/ Residents to reach out to him with any questions, concerns, or any information with regards to safety and crime prevention.

His contact information is as follows:

Officer John Briggs San Diego Police Department, Northwestern Division:

12592 El Camino Real, MS 782, San Diego, CA 92130

Phone: (858) 523-7031

Email: [jbriggs@pd.sandiego.gov](mailto:jbriggs@pd.sandiego.gov)

Homeowners/ Residents can protect their homes and help protect their neighbor's homes by making some simple changes. Here are some tips from the San Diego Police Department:

1. Report suspicious activity to the San Diego Police Department immediately using the contact info above.
2. Do not leave valuables in cars, always double check the doors are locked before entering the house.
3. Have a neighbor pick up your delivered packages so they are not left in full view.
4. Make sure you are aware of your surroundings. Double-checking things are put away and locked up.
5. Install timers that turn on lights in different windows at different times.
6. Install deadbolts to all doors that enable entry, including upstairs where entry can be gained.
7. Install/ update alarm system and set it anytime you are away from home.
8. Install glass break sensors on windows and doors on all floors.
9. Install motion sensors on all floors and windows.
10. Stop mail delivery and package deliveries while on vacation.
11. Install security cameras outside your home.
12. Notify the local police department or a trusted neighbor when you are going to be away.
13. Use outdoor lighting. Light up dark spot in your yard. For pennies per night, it adds security to your home and the surrounding area. Please submit your variance request through the HOA.
14. Do not let any service representative into your home without proper identification.
15. Contact Officer Briggs to organize a security inspection of your property and home. This service will help to provide crime prevention initiatives/solutions directly related and relevant to your own home.
16. Officer Briggs is also available to set up a meeting with neighborhood reps or residents that would like to form a neighborhood watch group in their community.

Please be advised that the Association employs a person to periodically patrol the Association's Community Common Area between the hours of 3:00pm- 11:00pm. The primary purpose of this patrol person is to discourage Community Common Area loss and enforce the governing documents, as well as assist the Association and law enforcement in the identification of perpetrators of crime.

The purpose of this patrol person is **not** to provide security services to the residents or private property. The Association does not provide security services to the residents. Nor does the Association ensure or guarantee the safety of persons or property. All residents within the Del Sur community are responsible for providing for their own safety and security.

So, it is important for all of us to remember to undertake our own reasonable safety precautions, such as locking our doors and windows, routinely closing the blinds and drapes in our bedrooms and bathrooms when these rooms are in use (even if these rooms are not readily visible from the street), instructing our children on what to do if approached by anyone, not leaving valuables unattended in vehicles and the Community Common Area, locking our vehicle doors, and staying alert to our surroundings, especially when walking or jogging at night.

It is up to all of us to discourage criminal conduct in our community. The best way for us to accomplish this objective is to be observant and notify the police as soon as we witness any suspicious activity.

# Neighborhood Representatives

Did you know you can contact your neighborhood representative regarding any matter of concern in your neighborhood? Your neighborhood rep can then get in touch with the Del Sur Community Association either through management or by bringing the matter before the Board in an open session meeting. Open session meetings are held on the months of January, March, May, July, September, and November. Please see times and dates for all the association meetings on the last page of this bulletin. The following table provides all the neighborhood representatives and their contact details. Should you need any assistance with determining who your neighborhood rep is, please contact your management team at the Ranch House 858-759-1921.
