Dear Del Sur Residents,

July 25th, 2025

A Special Thank You!

The management team would not only like to give a huge thank you to our Del Sur Community residents who participated in voting for the annual election, but also to those who ran for the election that was held on Thursday, July 24th.

We are entering a promising year ahead with the successful election of Erick Caldwell and reelection of key members to the Board. Congratulations to all on this accomplishment. The combination of continuity, experience, and shared vision will no doubt contribute to ongoing progress and success.

We were also so glad to have had the opportunity to have Gilbert Verdugo and Roland Harpin, the representatives from the City of San Diego Environmental Services Department who were gracious enough to hold a Q&A and clarify any confusion residents may have had with the current transition from city hauling to private.

The city will be providing all homeowners affected by this transition with a mailer in August in hopes to make the transition process smooth. We strongly recommend resident's use Waste Management as their private franchise hauler as they have been a tremendous help to our community not only during this transition process, but during COVID.

Wade and Jaqueline Pool Repair Updates:

Unfortunately, we are still experiencing issues with the power supply of Wade Pool as there the issue of the power supply seems to be more complex... however... Jaqueline Pool has unfortunately been closed again and will hopefully be re-opened by next Thursday.

We very much appreciate your understanding and patience as we continue to work to get the pools repaired and re-opened for your enjoyment.

Wild-Life Feeding

Although we truly appreciate the big hearts of the members in our community who enjoy helping animals, we do have to ask that members stop leaving plates of food around the community. This will help to avoid attracting anymore unwanted rodents and coyotes to our lovely neighborhoods. This is not only a safety issue for our domesticated pets but is also a sanitary issue for our community. Thank you for understanding.

Pool Courtesy Awareness

Summer is here, and we love seeing everyone enjoy the pool areas! Just a friendly reminder to be courteous to your neighbors when hosting gatherings—let's keep the fun going for everyone. Please remember that each household is allowed **up to 4 guests** at a time in the pool areas. Keeping it cozy helps ensure there's room for all to splash, lounge, and relax.

Thanks for being thoughtful and helping keep our community cool and enjoyable!

THE ULTIMATE GUIDE TO SEASONAL COLOR GARDEN

Ever wonder why some properties have spectacular entrances? Or signage that really catches the eye? You can thank seasonal color displays. These carefully curated plantings have been designed to grab your attention and set the stage for the property beyond. In this guide, we'll add a little... ahem... color to the topic and tackle some of the most frequently asked questions. Starting with...

Q:

What's the difference between annuals and perennials?

- **ANNUALS:** Also known as seasonal color, these are plants that complete their lifecycle in one growing season and will not return the following year.
- **PERENNIALS:** These are plants that live for two years or more. They either die back in the winter and re-emerge in the spring or retain their above-ground growth all year long.

Each has its advantages. Seasonal color is great for trying out new, bold looks. It's also great for filling in gaps around your perennials for a periodic refresh. Some people find this especially helpful for making new landscape look lush while waiting for young plants to fill in.

On the other hand, long-lasting perennials like coneflowers, daylilies and hostas, can save you money by providing color year after year. However, it's important to note some perennials are hardier than others, so not all are completely worry-free. More tender varieties may need protection from harsh winter weather in order to survive the cold temps and make their triumphant return in spring.

Q:

How do you choose between annuals and perennials?

The answer is you don't! In many cases, using them together is the best solution. Think of perennials as your base, and annuals as your seasonal flair. Generally, perennials are in bloom for a shorter period, so annuals provide a much-needed color boost right when your perennials fade.

Q:

How often do you need to change out your seasonal color?

Depending on your region, you'll likely have 2 – 3 rotations per year. Generally speaking, that translates to:

- An installation in the spring, after the threat of frost has passed
- A summer installation of more heat tolerant plant material, just as the spring display begins to fade
- An installation of fall annuals as the weather starts to cool

Which annuals are the best for each season?

Generally speaking, here are some of our favorite seasonal standouts:

SPRING

Petunias make a lovely accent and, in some regions, will go strong into the summer. Their variety in color and pattern—from solids to stripes and speckles—keeps things interesting. Dusty miller makes for an interesting accent with its silver, velvety foliage; and like petunias, may persist into the summer. Snapdragons are an excellent choice for early spring, especially if your space can accommodate their height (up to 3 feet tall).

SUMMER

With their waxy leaves and punchy colors, begonias are a striking touch for areas that don't get direct sun. For areas with full sun, you can't beat zinnias for their non-stop blooms all summer long. And in the toughest growing conditions, lantana is as hardy choice that doesn't sacrifice any color. In colder climates it's an annual, but in warmer locales it's a popular perennial.

FALL

Pansies are fantastic in the fall because they're frost tolerant and will continue to bloom into the winter. We also love ornamental kale and cabbage for their rich hues—and bonus: they're frost tolerant, too. For containers, mums look great thanks to their dense foliage and bursts of flowers in all the traditional fall colors.

How can you get the most bang for your buck in your seasonal color garden?

Soil quality has a major impact on the performance of your seasonal color installation. It can be the difference between a lackluster display and one that goes gangbusters. It's important to replenish nutrients to give each installation the tools it needs to grow strong, vibrant, and long into the season. Periodically amending the soil with a high-quality fertilizer prior to a new installation is key.

Other important factors that will help you get the most from your investment are mulch and weed control. Maintaining a 2-3 inch layer of mulch will help regulate the soil temperature and prevent weeds. Maintaining a good weed prevention program with your landscape partner, including pre-emergent and post-emergent applications, will also keep weeds at bay throughout the season.

Gentle Reminder: Pool Access Gates

We kindly remind all residents to please avoid tugging or pulling forcefully on the pool gates and never attempt to climb over them. The gates are equipped with magnetic locking technology that can easily be damaged by excessive force. If this occurs, it may prevent residents from accessing the pools until repairs are made. We also ask that residents and guests be careful and mindful of the lap lane dividers as we have had to replace them quite a few times this year. Your cooperation helps keep the amenities safe and accessible for everyone—thank you!

Important Notice:

Update on Trash Collection Changes on City Streets

We have received an important update on the City of San Diego's Measure B. The City has updated management that any homeowner who is currently receiving trash services through the city must transition to a franchise trash hauler.

Why: The city requires that the entire community must be eligible to receive service. Since only certain homes qualify for city trash service while other homes are ineligible, this makes the entire community ineligible.

Who does this effect: All property owners who currently receive city service. If you have a tenant, it is up to you as the homeowner to switch to a franchise service.

When is the new deadline: September 1st

Franchise services you may switch to: Del Sur Community is contracted with both [Waste Management Company](#) and [Republic Services](#). The homeowner may decide which of the two franchise services they would like to switch to.

What happens if you do not transition: If you do not transition by September 1st, the city will have to follow an enforcement process. This means that they will send a first courtesy letter stating you have 30 days to transition. If you have not complied within the 30 days, they will then follow up with a second courtesy notice stating you will have 14 days to follow comply. If you still have not complied after 14 days, the city will no longer pick up your trashcans and you may be subjected to a fine.

Notice: Shower Area Maintenance Near Jacqueline Pool

We would like to inform you that the epoxy flooring near the Jacqueline Pool shower area has shown signs of wear and tear, including some water seepage beneath the surface. A professional assessment has been conducted, and our management team is actively coordinating the necessary repairs and remediation. We appreciate your patience and understanding as we work to restore this area to a safe and high-quality condition. We look forward to welcoming you back to a fully refreshed shower space soon.

Suspicious Activity

As we enter the summer season, we typically see an increase in unauthorized use of community amenities, particularly the pools. We kindly ask all residents to remain vigilant and report any suspicious activity.

There have been recent incidents involving individuals, often teenagers, accessing the pool areas without authorization and leaving behind litter. To help maintain the safety and cleanliness of our shared spaces, please contact the non-emergency police line at **(858) 521-5200** if you observe anyone who does not appear to be a member of the Del Sur community entering pool areas or other community facilities. Unauthorized entry is considered trespassing, and your assistance in reporting these incidents is greatly appreciated. Thank you for your cooperation.

Friendly Reminder: Drive Safe in Del Sur

Just a quick reminder to please observe all posted speed limits while driving through the community. We also kindly ask that you remind any guests or vendors visiting your home to do the same. Thank you for helping keep Del Sur safe and enjoyable for everyone!

E-Bikes

Motorists, please keep an eye out for riders. If your child has an E-Bike or standard bicycle, please make sure your child/children are being safe, taking care around parked vehicles and using bicycle lanes. Be safe be seen at night. For their safety, turn this into a teaching moment for them. Speak to them about how dangerous it can be to have multiple riders and what could happen if one of their friends is injured while they are driving. Please also talk to them about the dangers of speeding through the community, through intersections, around the town center, including up through the Ranch House area. Thanks in advance parents for your assistance, as we look out together for our precious kids of Del Sur.

Ctrl + click the following link for regulations on E-Bikes

- [Alternative Vehicle Information](#): Familiarize yourself with San Diego Police Department information and regulations on using alternative vehicles, including motorized scooters, mopeds and motorized bicycles, electric bicycles, and electronically motorized boards.

We have noticed an uptick in damages from E-bike/ bike usage throughout the community in private easements, & in open spaces behind homes that is causing maintenance issues and unnecessary expenses.

We are asking parents to please make sure your child/children understand the importance of following the rules of the road, using bike lanes, staying out of private property, & using caution around parked vehicles while operating their E-bikes. Please talk to them about the dangers of speeding through the community when crossing streets, intersections, & driveways, including up through the Ranch House parking lot. Additionally, for the safety of the rider and patrons of the pool, E-bikes should NOT be used or stored in the pool areas. Thank you ever so much for your cooperation and collaboration with this issue.

Crime Prevention Tips

2. Do not leave valuables in cars, always double check the doors are locked before entering the house.
3. Have a neighbor pick up your delivered packages so they are not left in full view.
4. Make sure you are aware of your surroundings. Double-checking things are put away and locked up.
5. Install timers that turn on lights in different windows at different times.
6. Install deadbolts to all doors that enable entry, including upstairs where entry can be gained.
7. Install/ update alarm system and set it anytime you are away from home.
8. Install glass break sensors on windows and doors on all floors.
9. Install motion sensors on all floors and windows.

11. Install security cameras outside your home.
12. Notify the local police department or a trusted neighbor when you are going to be away.
13. Use outdoor lighting. Light up dark spot in your yard. For pennies per night, it adds security to your home and the surrounding area. Please submit your variance request through the HOA.
14. Do not let any service representative into your home without proper identification.
15. Contact Officer Briggs to organize a security inspection of your property and home. This service will help to provide crime prevention initiatives/solutions directly related and relevant to your own home.
16. Officer Briggs is also available to set up a meeting with neighborhood reps or residents that would like to form a neighborhood watch group in their community.

Please be advised that the Association employs a person to periodically patrol the Association's Community Common Area between the hours of 3:00pm- 11:00pm. The primary purpose of this patrol person is to discourage Community Common Area loss and enforce the governing documents, as well as assist the Association and law enforcement in the identification of perpetrators of crime.

The purpose of this patrol person is **not** to provide security services to the residents or private property. The Association does not provide security services to the residents. Nor does the Association ensure or guarantee the safety of persons or property. All residents within the Del Sur community are responsible for providing for their own safety and security.

So, it is important for all of us to remember to undertake our own reasonable safety precautions, such as locking our doors and windows, routinely closing the blinds and drapes in our bedrooms and bathrooms when these rooms are in use (even if these rooms are not readily visible from the street), instructing our children on what to do if approached by anyone, not leaving valuables unattended in vehicles and the Community Common Area, locking our vehicle doors, and staying alert to our surroundings, especially when walking or jogging at night.

It is up to all of us to discourage criminal conduct in our community. The best way for us to accomplish this objective is to be observant and notify the police as soon as we witness any suspicious activity.

Del Sur Community Association

SWIM LESSON POLICY

EFFECTIVE 3/1/2024

Del Sur Community Association ("Community Association") Board of Directors recognizes that learning to swim facilitates the use and enjoyment of the Community Association's pools and reduces the risk of injury by pool users, Therefore the Board has determined that it is in the best interest of the membership to allow limited swim lessons to be conducted, subject to this Swim Lesson Policy ("Policy").

This Policy has been established to enable owners and residents to receive swim lessons within the community while protecting the right of all owners and residents to use the Community Association pools and minimizing the risk of liability for the Community Association.

*****The pool temperature will be set to 82°. Please note this temperature can and will fluctuate depending on weather conditions and time of day. If the water is too cold for lessons that day the swim instructor or participant/ guardian**

should reschedule the lesson for another day.***

The Board has decided to charge a usage fee and a security deposit for the use of Del Sur Pools for swim instruction each season.

Usage Fees:

- The Policy requires that each instructor be required to pay a non-refundable usage fee of \$250 before commencement of lessons each season to assist with the maintenance and operations of the pools the instructors use.
